My comments on these two presentations are included in RLSO. The comments are the same in both presentations. I'd like to go over the comments with the CPG during our call tomorrow.

Jennifer, Eugenia & Michael:

1. Attached are two power point presentations that outline the CPG's proposal for the Upper 9-miles of the LPSA. "CSTAG" is a detailed technical presentation and "Mgt" contains many of the same slides but includes less technical detail.

2. The CPG is in the process of completing the updated narrative/proposal and will forward that to EPA noon on Monday, November 27 as discussed with Jennifer.

3. I plan on scheduling the EPA-CPG call for 2 PM on November 29 and will send an invitation to you. I anticipate that several members of the CPG, who have participated in our meetings, are planning to participate in that call.

Please contact me with any questions.

Most importantly, please have a Happy Thanksgiving.

Thank you,

R/
Rob
